

Business Travel Policy

Acme Technologies — Internal Policy Document

1. Business Travel

Employees may travel for approved business purposes including client meetings, conferences, training, and project activities. Business travel must normally receive manager approval before booking.

2. Domestic Flight Travel

Domestic economy-class airfare is reimbursable for approved business travel. Employees should select reasonably priced routes and book through the company's approved travel process whenever available.

3. Hotel Accommodation

For domestic business travel, employees may claim hotel accommodation up to INR 6,000 per night. Any amount above the approved limit requires prior authorization from the reporting manager.

4. International Accommodation

International hotel expenses are reimbursed up to the applicable destination-specific limit established by the company. Employees should select reasonably priced accommodation close to the business location.

5. Meals

Employees traveling domestically may claim meal expenses up to INR 1,200 per day. Original receipts should be retained where required by the expense management process.

6. Local Transportation

Reasonable taxi, public transportation, and approved local travel expenses incurred for business purposes are reimbursable. Personal transportation expenses are not reimbursable.

7. Travel Advance

Employees may request a travel advance before an approved business trip. Unused advance amounts must be returned or reconciled through the expense management system.

8. Expense Submission

Travel expenses should normally be submitted within 15 calendar days after returning from the business trip. Expense claims should include receipts and the relevant business purpose.

9. Prohibited Expenses

Personal entertainment, minibar charges, personal shopping, traffic fines, and expenses for non-business companions are not reimbursable unless explicitly approved by the company.
